

Play It Out Escape Room

Covid-19 Protocol

Private Games

Please book your game with family or friends who have been in close contact for at least 2 weeks. We are taking extra time between games and carefully scheduling to make sure your group is the only one in our space.

Safety First

We encourage you to wear a mask in our lobby and use hand sanitizer as soon as you arrive. Stay within the tape lines to avoid contact with our game masters.

Help Us Help You

Please reschedule if anyone in your group becomes ill before your booking. We will collect a name and phone number for every player in the group for contact tracing.

Plan Ahead

We are less flexible about last minute bookings than before, but we'll do our best to accommodate your group. Our bookings are spaced out so that we have time to clean for the next group. Please be on time for your booking and enter our space together.

Bear With Us

Please be patient with our new rules and procedures. We are doing our best to keep everyone safe and healthy.

Think Ahead

Please use the bathroom at home before you come, and try to avoid bringing in personal items that don't fit in your pockets. Our restroom is open, and we have hooks for your belongings, but we'd like to reduce the number of potential contaminants in the building.

Doing Our Part

Our game masters will wear masks and maintain distance. We also have UV Air Scrubbers in our HVAC system to maintain clean air. We are carefully sanitizing between games and adding procedures as necessary.

Play Online

Our virtual games are still available! Feel free to book our livestream puzzle game, or have us custom design a game for your group!
